30.02.2023

Meetings after Meetings...

## Meetings after Meetings...

**The Journey to Quantum Safety**  
Crypto Agility is Key!

**Map the Risk: Prepare & Discover**

- Understand quantum risks
- Baseline cryptographic maturity & governance
- Discover existing crypto usage

**Re-design: Assess & Plan Transformation**

- Analyze crypto dependences and usage
- Define quantum safe and near-term crypto maturity goals
- Build prioritized transformation roadmap

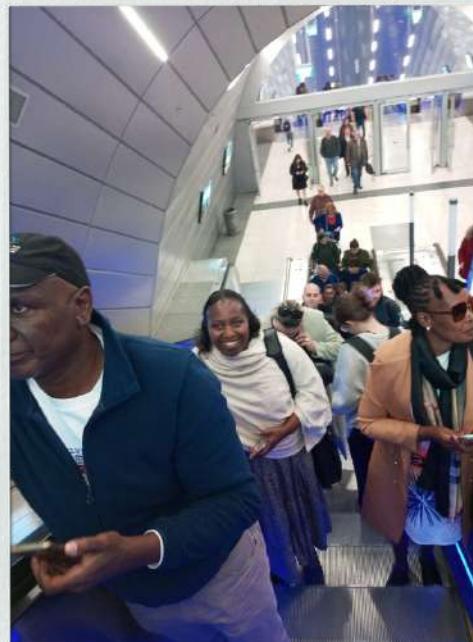

**Migrate: Transform & Ongoing Observability**

- Abstract and modularize crypto components
- Execute projects to implement quantum safe crypto
- Adopt new quantum-safe crypto standards as they emerge

Meetings after Meetings...

## Show Time (3.2.2023)

The Kenyan Team having attended the Cybertech and DLD Conferences religiously, it was now time to see Israel fast hand.

# *Jerusalem and Bethlehem*

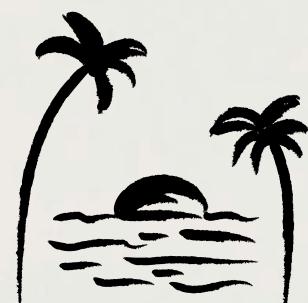

Down the road to  
Bethlehem

## Bethlehem, the Church of Nativity

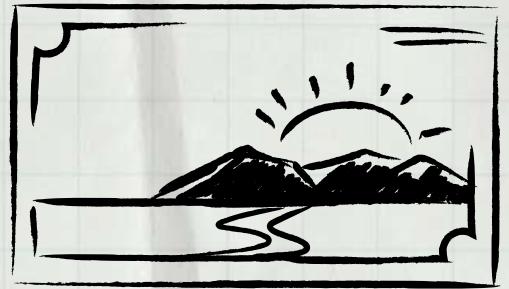

Where Jesus  
was Born

# Jerusalem, Western Wall

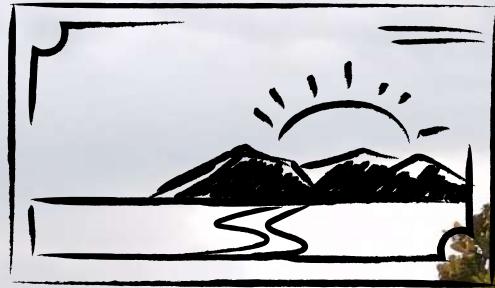

# Galilee Triangle

24.06.2022

## The Sea of Galilee

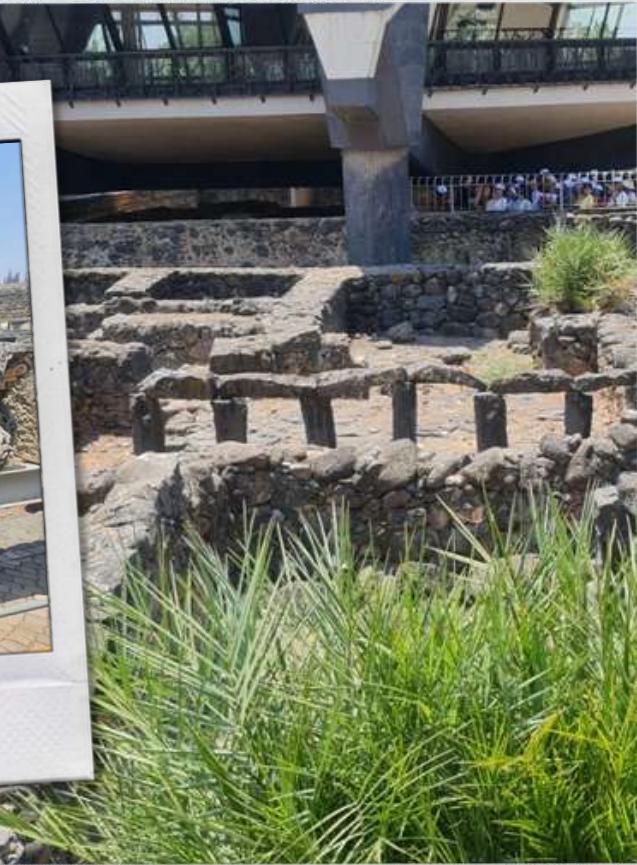

Do you recall the sermon on the mount? The story of five loaves and two fishes? Well it happened here at the Mount of Beatitudes.

# CAPHARNAUM THE TOWN OF JESUS

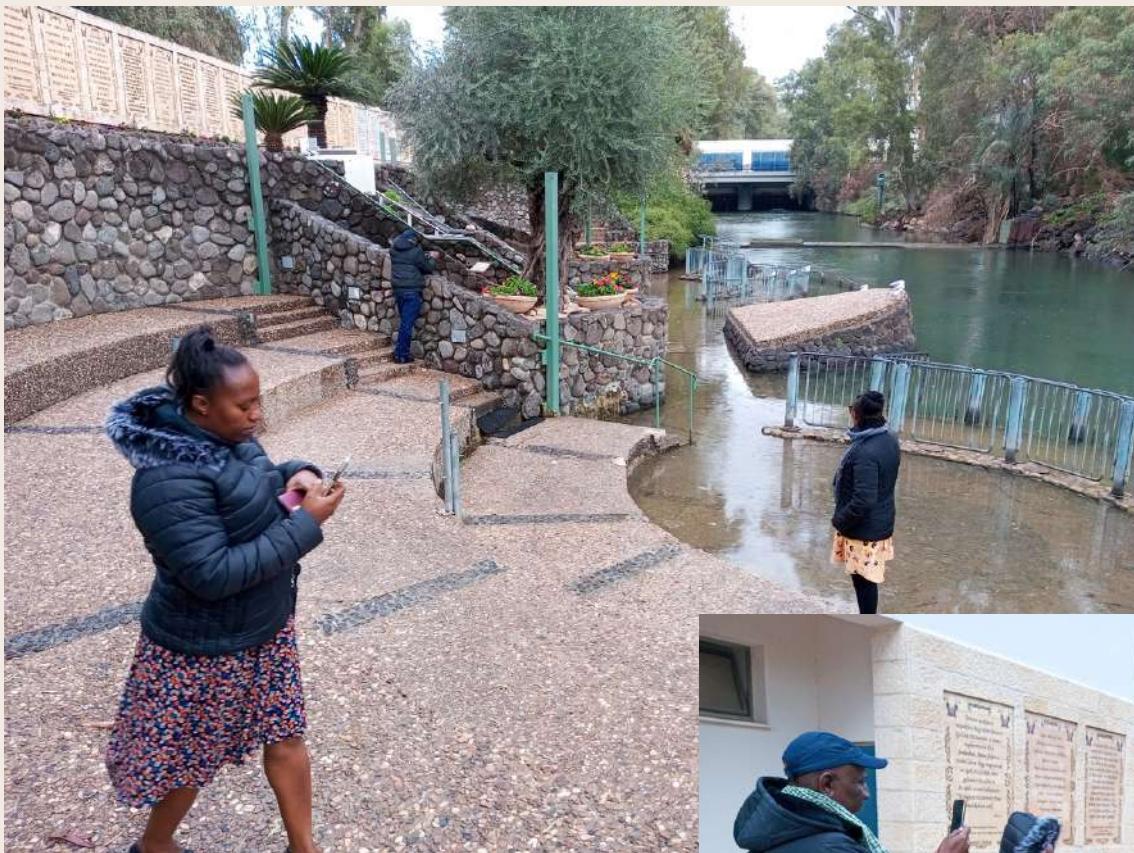

## Capharnaum

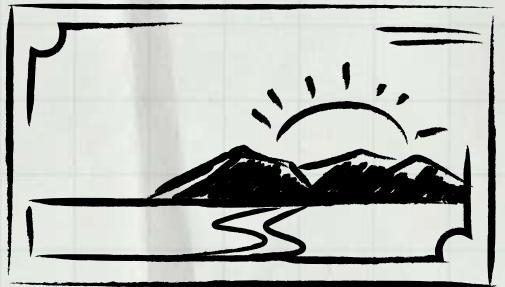

**OPEN EVERY DAY:** 8.00 - 17.00  
**LAST ENTRY:** 16.30

1

## River Jordan,

Jericho, Jordan and Kalia (Dead Sea)

*The Famous Sycamore  
Tree and the Tax Collector*

Heading to the Mount of Temptation of Jesus on

the oldest city JERICHO of the world

Elisha Spring Fountain

The people of the city  
water it bad , and the  
and put salt in it . So  
water and threw the s  
water wholesome . From

John 3:2

*At the lowest point on Earth*

Scrub  
away  
the bad  
luck at  
the  
Dead  
Sea. Do  
you  
hear?

we went, we saw, we ate and  
smiled it out, ready to for  
Kenya

*Grateful to you for making this trip a success*

Depature Time (4.02.2023)
